STAT Dear Dave: [redacted]

STAT Subject: [redacted] - Briefing Print Enlarger - Breadboard

The subject Breadboard was assembled under PAR's 202/224
STAT of contract [redacted] as the basis for development and production of the Prototype produced under PAR 243.

Contrary to the normal procedure of dismantling and disposing of breadboard parts, we feel that we can put this item to good use in assisting the community in solving problems oriented around this type of equipment.

Therefore, approval is requested to transfer the BPE
STAT Breadboard from contract [redacted] to inventory control under contract PO-1800.
